Leadership Giving

Each year one in four Monterey County residents receives services from a United Way affiliated agency.

United Way's Leadership Circle donors play a major role in ensuring that those services remain strong.

The Leadership Circle is a group of extraordinary individuals who have the capacity and compassion to make a major financial gift on an annual basis.

You can be a part of this caring group for as little as \$10 per week.

Leadership Circle Giving Levels

Community Builder:	\$500 - \$999
Community Investor:	\$1,000 - \$1,499
Community Shareholder:	\$1,500 - \$2,499
United Way Partner:	\$2,500 - \$4,999
United Way Visionary:	\$5,000 - \$9,999
Alexis de Tocqueville Society:	\$10,000 and up

In addition to your financial support, we value your time and talent. Please consider the following volunteer opportunities.

Ask about participating in your **company's United Way campaign.**

Use resources of **The Volunteer Center of UWMC** for meaningful, community-wide volunteer opportunities.
www.volunteermontereycounty.org

Be part of a **team of volunteers** that evaluates grant proposals, visits agencies to see programs in action and makes funding recommendations to the UWMC Board of Directors.

Participate on one of the United Way **Community Councils**. You'll identify needs to resolve core issues and help direct resources to specific areas of need. Volunteers participate in program development, building collaborations and funding decisions.

Pebble Beach Concours d'Elegance and **Big Sur Marathon**-help UWMC's efforts in partnership with these two world class events.
