

Set Children Up for Success in School

Stuff the Bus is a countywide drive to gather required school supplies for children who are not able to afford to purchase them.

Stuff the Bus eases the financial burden on families, promotes learning, encourages self-esteem and helps kids stay in school.

Students who receive backpacks are those who are considered homeless – they live in shelters, motels, sheds, garages and other places not originally meant for human habitation. In 2017, **more than 9,000 students** were identified as homeless throughout Monterey County.

More than a backpack, *Stuff the Bus* improves children's odds for success in school and in life. There are many ways to help:
