Dear Employee Campaign Manager,

We know that United Way campaigns at the companies throughout our community don’t just happen. They are envisioned, led and accomplished by dedicated people like you – our Employee Campaign Managers (ECMs). And for that we offer you our deepest gratitude and admiration.

The ECM at each company is truly at the heart of making a United Way campaign successful – and successful campaigns mean that thousands of children, teens, adults, and families throughout Monterey County will receive the help they need.

We know that serving as ECM means additional responsibilities for you, and we truly appreciate your willingness to provide that leadership in order to help our community.

We hope the information included in this guide will give you the tools, best practices and guidance you need to make your United Way Campaign as successful as possible.

Our mission is to fight for financial stability of families in Monterey County with a focus on child care, housing and asset building (educating families to be financially self sufficient).

The lack of affordable, quality child care and housing for working families is affecting the health, safety, and educational achievement of our residents. It also limits the productivity of our local businesses. That’s why United Way leverages our many relationships to tackle these tough issues facing our community.

Thank you!

ECM /ē-sə-em/

noun

Employee Campaign Manager
A person who helps his/her organization work with United Way and leads the organization’s annual United Way campaign through planning, implementation, and evaluation.

WHAT DOES AN ECM DO?

• Educates co-workers about United Way and provides opportunities for them to get engaged
• Assembles a committee of ambassadors; your colleagues help you build support for the campaign
• Sets goals to increase giving and volunteering (number of donors, dollars raised)
• Holds a campaign kickoff and coordinates other special events
• Distributes United Way materials and pledge forms to colleagues; prepares and submits completed pledge forms to your United Way liaison

BENEFITS OF BEING AN ECM:

• Showcase your leadership and project management skills at work
• Network with colleagues at your organization and in other industries
• Create positive impact in your community
United Way Monterey County builds financial stability for working families. We invest on long-term solutions that create lasting change and prevent problems from arising in the first place. When you support United Way Monterey County in your workplace, we promise:

**LONG-TERM SOLUTIONS:**
United Way is working hard to build financial stability for all people in Monterey County. Nearly 60% of families with young children do not earn enough to make ends meet without some sort of assistance. The two biggest costs for working families are child care and housing. That’s why United Way is increasing quality, affordability and supply of both. This will produce real, lasting change today and for future generations.

**LOCAL IMPACT:**
The money you raise stays in our community to support crucial services and initiatives throughout Monterey County. A healthy, strong local community results in a robust, prosperous local economy.

**POSITIVE RECOGNITION:**
When you support UWMC in your workplace, you’ll join a network of more than 250 area businesses. Research shows that customers have a strong preference for businesses who “give back.”

**ORGANIZATIONAL PRIDE:**
Whether you engage in a workplace campaign, make a corporate contribution or sponsor an event, your partnership with UWMC provides your team the opportunity to take on leadership roles, engage in team building and grow morale while improving our community.

**VOLUNTEER OPPORTUNITIES:**
Your employees can deepen their impact by participating in special group projects for team building or individually to gain professional development.

**CONVENIENCE & AFFORDABILITY:**
Through payroll deduction or other giving options, your employee donors will make a significant impact on their community with minimal effect on their wallets.

**BEST PRACTICES**

**Top-Level Support and Corporate Match**

Endorsement from your company’s CEO is vital to the overall success of your United Way fundraising efforts. A corporate match on employee dollars is a great way to incentivize a donor’s pledge.

**Conduct A Fun and Educational Campaign**

- Don’t run your campaign alone — form a committee!
- Use incentives to turn special events donations into payroll deductions/monthly pledges.
- Educate before asking: communicate United Way’s work in Monterey County and the needs of our community.
- Promote United Way via social media and internal resources.

**Engage Leadership To Strengthen Your Company’s Investment**

- United Way leadership donors are leaders in their organization, leaders in our community, and leaders in generosity.
- The success of UWMC depends on the community working together to change people’s lives and create lasting results. Leadership donors build the foundation of that success. Promote United Way via social media and internal resources.

**Goal-Setting Worksheet**

Set a challenging, yet attainable goal. Be ambitious but realistic so your co-workers have an attainable goal to reach.

STRATEGIES FOR SUCCESS
HOW TO ASK FOR A PLEDGE

Get Donors’ Undivided Attention
• Start the discussion on a positive, friendly note
• Explain the purpose
• Find out what they know about United Way

Explain United Way and Why You Support Us
• Bring UWMC materials and be prepared to explain them. Provide flyers to each person or use a front-of-the-room presentation
• Share a personal story, success story or United Way facts

Ask For The Pledge
• With new donors, ask for a first-time gift and offer an incentive for giving
• For annual donors, encourage or incentivize them to increase their gift
• Consider asking for a specific increase, such as $1 more a week or pay period or a 10% increase
• Remember, you are not asking for yourself; you are asking on behalf of someone who needs help
• Offer incentives for turning in a pledge form or submitting an ePledge

Answer Questions and Handle Concerns
• Know your materials and answer questions honestly
• If you don’t know the answer to a question, let the donor know you will find out and then follow up with your Development Manager
• Recognize that some donors have real concerns; people have a right to feel good about their gift

Say “Thank You”
• Regardless of what the donor decides, thank them for their time
• People like to know their gift is appreciated
